What is Audi Signature Care?

Audi Signature Care is scheduled maintenance¹ coverage for three years or 30,000 miles, whichever occurs first, and is included with the purchase of your vehicle.

It can help keep your Audi performing at its peak and is included with all Model Year 2026 and newer vehicles.²

Coverage includes Audi scheduled maintenance service at your first three maintenance intervals: At 10,000, 20,000, and 30,000 miles — or at 12, 24, and 36 months, whichever occurs first. Service includes oil change, filter replacements, brake fluid flush, and more.

Benefits of Audi Signature Care:

Worry Free: Your plan covers scheduled maintenance service with no additional payment. You can drive with confidence, knowing you are protected from rising inflation prices.

Convenience: Audi Signature Care provides one stop for all your maintenance needs. Service can be scheduled at any authorized U.S. Audi Dealership.

Trained Technicians: Your scheduled maintenance service is completed by trained technicians using factory procedures, specialized tools, and Audi Genuine Parts.

Extend your coverage with Audi Care Select.

Lock in peace of mind when you prepay for scheduled maintenance beyond the first three years and 30,000 miles. Audi Care Select plans extend your scheduled maintenance coverage, helping protect against inflation and ensuring your Audi continues to perform at its best. The cost of your plan can be combined and financed with a vehicle purchase or lease³ and can be rolled into monthly payments if purchased at time of new vehicle sale in the U.S.⁴ See your authorized Audi Dealer or visit audiusa.com for more details on Audi Care Select.

1 Audi highly recommends that a maintenance service be performed every 10,000-miles or 12-months, whichever occurs first. For details, please refer to the Audi Warranty & Maintenance Booklet included with the vehicle, or online at <https://maintenance.audiusa.com>, or consult your dealership.

4 Dealer sets final price, plus applicable taxes. Tax on parts supplied may be due at the time of each scheduled maintenance, as required by state and/or local regulations where the work is performed. Please see your Audi dealer for details. Audi Care prepaid scheduled maintenance plans are valid for the mileage/time stipulated in their Audi Care contracts. See your Audi dealer, vehicle maintenance booklet, and/or Audi Care Terms and Conditions for details.

Actual scheduled maintenance services vary based on vehicle model, model year, and mileage. See vehicle Owner's Manual for details. Replacement parts and labor may cost additional.
