

PROTECTIVE FILM PACKAGE

WINDSHIELD PROTECTION FILM

Upgrade your ride with XPEL's Windshield Protection Film. Designed to prevent costly replacements and eliminate the risk of aftermarket flaws, this nearly invisible film boasts exceptional impact resistance. Enjoy peace of mind on every journey, knowing your windshield is safeguarded against potential damage. Drive confidently with XPEL!

- ✔ **Road Defense**
Guards against chips, cracks, and pitting to avoid costly replacement.
- ✔ **Clear Vision**
Our virtually invisible film provides optical clarity for maximum visibility.
- ✔ **OEM Protection**
Designed to protect OEM equipment and avoid replacement.
- ✔ **UV Protection**
Effectively blocks 99% of harmful UV rays to prevent sun damage.
- ✔ **Easy Maintenance**
By using XPEL's WPF RESTORE, you'll add gloss, slickness, and a hydrophobic layer.
